Newmatic Medical Launches Revamped Website

Caledonia, Michigan, June 28, 2011 — Newmatic Medical announced the launch of the redesign of their website with improved functions and features. The web address is www.NewmaticMedical.com.

The new website moves the company closer to the goal of offering the industry's most-extensive selection of MRI products and accessories.

"Every change to the website was made to improve our customers' online shopping experience," said Steve Bosio, Newmatic President.

Bosio touted expanded product selection, "try-it-before-you-buy-it" product sample program, "Click-2-Call" call-back service, enhanced site search/navigation, and improved shipping options as some of the best improvements of the new website.

About Newmatic Medical

Newmatic Medical is a direct marketer of MRI products and accessories, including sound system, headphones, wheelchairs, and stretchers. The company was founded in 1986 and serves over 5,000 customers. They are committed to providing innovative solutions that make a significant contribution to a better MRI experience for patients and providers. For more information, visit NewmaticMedical.com
